Who is your previous dentist and what is their contact information? _____

Are there any current x-rays? _____

Are you having any problems or concerns? _____

What do you want from your teeth? _____

Summary: _____

The Interview

Introduction: We start our time together here in our conference room because we like to get to know our patients first as people. We don't like to treat strangers. The more we know about your needs and concerns, the better job we can do for you.

I understand you came in today because:

How do you feel in general about our teeth and gums? _____

Patient Rating: 1 2 3 4 5 6 7 8 9 10 Why? _____

Are you concerned about the appearance of your teeth? _____

Cosmetic issues: COLOR SIZE SHAPE ALIGNMENT OTHER

How well do you chew? _____

Do you chew on both sides? _____

How would you like to see your teeth in ten years? _____

If I had a magic wand...? _____

Is there anything that would stand in the way of getting the proper dentistry you need and want? _____

Tell me about your favorite dentist. _____

What are your expectations of **us** as your dental office? _____

PERMISSION STATEMENT (THE DOCTOR); I'm going to do a very thorough examination and find out everything that is going on in your mouth. I would like to have your permission to tell you everything that I see, and you in turn to have permission to say you want some of it, none of it, or all of it. Does that sound fair? Is there anyone else who you need to have with you when we discuss your treatment and fees?

CLINICAL FINDINGS

There are three ways that you can lose your teeth other than injury:

_____ Periodontal Disease _____ Dental Decay (new or recurrent) _____ Malocclusion

SUMMARY OF FINDINGS: (Order of importance 1, 2, 3)

1. _____

2. _____

3. _____

DO YOU SEE ANY GOOD REASON WHY WE SHOULDN'T START TODAY?
